RE: Letter of Recommendation

To Whom It May Concern,

I am writing to recommend the services of Everything Goes Estate Liquidations, Inc. and Andrew Adelson, Appraiser. I have been using their professional services for our clients and myself for the past fifteen years and have always been satisfied.

They do an excellent job on pricing, advertising, organizing and managing the appraisals and liquidations from beginning to end.

If you have any questions, feel free to contact me.

Sincerely,
